Description of fiscal impact:

The Department of Corrections is required through statute, 53-30-507, MCA, to reimburse the county regional prisons at their actual costs. If this bill is passed the additional cost of this would be passed onto the department through the contracted per diem rates. The actual cost to the State of Montana is not determinable at this time.

Effect on County or Other Local Revenues or Expenditures:

1. This bill would require counties to pay the partial salary of a detention center staff member injured in performance of duty. This would have a fiscal impact on the counties. The amount or significance of the impact could not be determined.
